ANNIVERSARY
1974 - 2024

Assembly Hall

Built in 1983 the Assembly Hall was a multi-purpose space used for sports, social gatherings, parades and presentation events. An extensive refurbishment in 2019 modernised the exterior and interior, adding an additional student canteen and removing the last traces of its life as a sports centre. In 2023 a covered walkway was added, joining the Assembly Hall to P Block and provided covered access across the oval.
